

HAIL SMJPS

Our Success Story

A committed caring and collaborative effort saw us through the pandemic times. 213 students of SMJPS united to bring glory and laurels to our alma mater. It was truly an outstanding performance!

Out of the 213 who appeared, they scored 987 individual distinctions, 556 individual 90% and above; and 222 in the 95% and above category. 92 students scored an aggregate of 90 % and above; 30 of them crossed the 95% mark in aggregate. Not an easy feat!

In Mathematics, Aastha Mishra and Venus Chaudhary touched the hallowed mark- a double centum. What a proud moment for this institution!

Let's focus on the toppers -Shelly Tyagi from the Commerce stream with an overall score of 98.2 stands unbeatable as the school's topper. She has decided to pursue a career in the field of Chartered Accountancy. As a member of generation Z she dreams of becoming an international tax consultant. We pray and hope that her dreams reach fruition.

Venus Chaudhary and Aditya Rana with identical scores of 97.6 are the stars of the science stream. Two very sincere and dedicated students who never let go of any opportunity to interact with their teachers. Not only this, their ever present positivity went far in motivating their classmates whenever they felt lost or seemed to flounder.

It was students of their ilk who made it so easy for the teachers to work tirelessly to mold these brilliant minds. The world of computers beckons and they will answer that call.

I would also like to add that it was just not a case "of all work and no play"-for Venus is also an exponent of Martial Arts.

Vasundhra Handa with a total percentage of 96.8% bagged the 1st place in the Humanities group .She is a very single minded, sincere and zealous child and wishes to be a student of literature. She says that there is a world of opportunities out there for her and she would like to explore her choices before she settles down to chalk out her true path in life.

"Success is not final; failure is not fatal: it is the courage to continue that counts- for everyone holds his or her key to success and happiness."

YET ANOTHER GRAND SLAM!!

CLASS TEN BOARD RESULTS

What a master stroke it was, when Aamod Jain forged ahead of his classmates with a brilliant score of 99.2% to stand as the topper. Vansh Vashishth with 98.8% is close behind in the second spot and Gunjan Mittal with a 98.2% bagged the third position.

Aamod Jain's flawless 100s in Mathematics, Science and French, a 99 in Hindi and 97 in English goes to prove that he is really an all rounder! May God bless this brilliant boy and may his path be strewn with success!!

Yet another foray into the centum bag was made by Vansh Vashishth- a 100 in Mathematics, French and Social Science too! Close behind is Gunjan Mittal with a 99 in Sanskrit.

The list is endless!! Individual distinctions stand at a staggering number of 896. Out of the 200 who appeared 14 scored an aggregate of 95% and above and 76 of them scored 90% and above.

The hard work and dedication of the faculty at SMJPS and the cooperation of the students and parents have helped us become a top notch school.

All the stakeholders at SMJPS pay their humble obeisance to the Almighty for His bountiful blessings and for the colossal success we have garnered.
